This information is required for participation in many of the tournaments.

Also, it comes in handy when the team travels.

The parent's number is the one we use automatically. If for some reason we can't reach you we have to have another possible contact.

9) Why do I have to fill out these forms every year?

We are trying to make it easier with the online access. Also, information changes from year to year and needs to be up to date for this season.

10) What if my son doesn't make a team?

Depending on the number of players trying out, there can be cuts this year from the 15U through the 18U teams. There is a tryout fee that can be paid for the tryout dates. If your son then makes a team, that tryout fee will be applied to the registration fee.
